Dear Dianna,

It is with great regret that I need to inform you that, due to a decision made by the Québec Government to curtail public spending, the Québec Delegation in New England will close its office for good on April 30, 1996.

I could not let this occasion pass without thanking you for the help and support you have provided me over the past years. My job has been rendered much easier by all of your good efforts and also by the warm exchange we have shared.

On a personal note, I want to tell you that I will be moving back to Montréal at the end of June. I will take happy memories of my life in Boston and all the special people I have known along the way.

I send you all my best wishes for now and in the future.

Cordially,

Chantal Marinier
