Subj: Re: Invoice and confirmation for July 16th...

Dear Dianna,

Thank you for calling to check up. Everything went very well during the 7/16 event at the House of 7 Gables in Salem, and we were pleased with Regis & Kim's service.

Haley's (the package store that supplied the drinks, based on your recommendations), provided us with excellent service as well, and you should be free to recommend them again.

Your estimate of total drinks to be consumed, by the way, turned out to be right on target.

The crowd was well-behaved, and House of 7 Gables complimented us on how well the operation was carried out. The only mishap is that someone lost an ear ring ... which I mention in the unlikely case either Kim or Regis might have heard of someone finding one.

Thank you again, it was a pleasure using Boston's Best Bartending Services.
