Dear Dianna,

I would like to take time out to write what a tremendous job Brian Buckley did this last past Saturday night. It was a lot of work preparing an event for the Winchester Neighbors Club and hosting individuals that don't really know each other that well. His outgoing and professional manner helped make our event a true success.

We liked his service so much that we would like to have him at our next event on Saturday, May 3, 2008.

Please pass a copy along to Brian to let him know how appreciative we were of his service.

Thank you and have a wonderful day!

  
Suzanne Rabe, Co-Chair for the WNC
